

## Teen News

Good morning and welcome to services! We hope everyone has had a good week back at school. We will not be having any devotionals in the first half of January so everyone can slide back into their routines, but we are looking forward to a lot of activity in the coming months. Crockett Road will be hosting the Give Me the Bible Conference on January 22nd starting at 9:00. It is always an uplifting day of fellowship and we hope you will considering being there. We are also getting back to Monday Night for the Master this month and will be meeting for that on January 31st at 6:15. We always enjoy our youth activities, but we are also an important part of the work of the congregation here and encourage all of you to attend every activity here at Crockett Road. If you have not yet picked up a youth calendar, you will find them on the youth bulletin board across from the high school classroom. There you will find our January calendar with a listing of upcoming February events, as well. DOUG

### “The Two Go Together”

Hand in hand with patience is kindness. If you lack one you lack both—if you have one you have both. We often learn these two corresponding skills from our parents or those who have influence on our early lives. However, a lack of example in these areas is not an excuse to abandon them. As with all challenges we must rise up to meet them. Both patience and kindness are trainable skills and in order to know how to develop them we must go to the word of God. Then with the knowledge of God's word we will have to make practical application of patience. So let's open our Bible at Crockett Rd. and learn ways we can develop these traits to the fullest. Love is kind and love is patient. I Cor. 13. May God help us in 2022 to let Patience and kindness grow to maturity in our live.

### Loyalty to the Lord

A Christian has pledged to be loyal to the Lord Jesus Christ. If one remains true to that pledge, customs and human traditions will not be allowed to become sacred. The ways of this world will not become a strong influence, and his/her desire will ever be to conform to the teaching of the Lord Jesus Christ. It is sometimes difficult for some people to see how wrong it is to introduce into the work and worship of the Lord's church anything that appeals to them. They do not realize that to mix human wisdom with divine is offensive to God. Jesus rebuked the most pious Jews of his day because they could not accept what God said as sufficient; they had to add their own traditions and customs and make them of equal, if not more, important than scripture. Our Lord said, “This people honoreth me with their lips; But their heart is far from me. But in vain do they worship me, Teaching (as their) doctrines the precepts of men” (Matt. 15:8-9). One lesson we must eventually learn is that God's ways are incomparable to man's. The ancient prophet wrote, “For my thoughts are not your thoughts, neither are your ways my ways, saith Jehovah. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts” (Isa 55:8-9). ADAPTED

# POWERFUL PLANS BUILD GREAT THINGS

## In 2022

*If you fail to  
plan, you plan  
to fail!*

# WELCOME New Members Two place membership

*From Dan's desk:*

We are thankful for the coming of Mike and Clara Davis who placed membership with the church last Sunday. They come to us from Lake Jackson. They are a wonderful couple. Mike is a Coach and Clara is a retired school teacher. Clara grew up in the congregation here and we are glad to have them here with us. Our congregation continues to grow in spite of the Covid pandemic. Last year some 58 responses to the invitation of the Lord took place with sixteen of those responses being baptisms into Christ for the remission of sins. Even though we had many difficulties in the year 2021, it also came with many blessings. The church is stronger as a result of the trials and troubles that came our way in the previous year. We are confident that growth often comes as a result of adversity. When we look at the New Testament church and what they had to face they continued to grow. They grew through adversity and difficult times. Hardship has a way of strengthening each of us. I hope that each of us will resolve to use our time wisely and do our best to serve our Lord honorably. The plans for the New Year are available and will be given out at the end of the worship service this morning. A copy of the budget is also available. May we all work to the end that God will be glorified by those in the congregation here at Crockett Rd. The future is as bright as the promises of God. Let's depend on Him during problematic times and continue to do the things that will promote the growth of His Kingdom at this place. See you tonight at the evening service.
