Good morning and welcome to services. It seems that everyone is back in school and life is back to normal following the holidays. We are really looking forward to CYC this coming weekend. It's always an encouragement to be around so many young Christians and the singing and lessons are always great. Preparation for our L2L convention in April is in full swing, so be on the lookout for announcements regarding practices and work days. Hope everyone has a great week! DOUG

SPEAK TO VISITORS

by Brian Harbor

The Wisconsin Restaurant Association researched why people did not return to a specific restaurant. They discovered 1 percent did not return because they died, 3 percent moved, 5 percent formed other relationships, 9 percent preferred a competitor, 14 percent didn't like the product, and 68 percent did not return because they felt there was an attitude of neglect and indifference. People respond to churches in similar fashion. If they feel neglected or sense indifference, they may stop attending. Ellie Wiesel, Holocaust survivor and winner of the 1986 Nobel Peace Prize, said, "The enemy is not love or hate, but indifference."

OUR FOCUS FOR 2025

A lot of what we accomplish in life depends upon our focus. The story is told of the golfer Arnold Palmer, who, in the 1961 Master's finals was approached by a friend and congratulated on his victory a few shots prior to his finish. Palmer is on record as saying that in that moment he lost his focus and he ended up losing by a point. It happens time and again; there is the football player who looks toward the goal line and drops the ball; the ice skater who falls and simply can't recover to conclude the performance; the politician who misspeaks and ruins his political career? all for a lack of focus. Out of all of the kings of Israel, David was arguably the greatest; he had his problems, but he always ultimately sought to put his trust in the Lord. Nevertheless, because David was a man of war, his greatest desire, to build the Lord a house, could not be accomplished by him. David, however, purposed to do all that he could toward the construction of the temple prior to his death. He made agreements with nations for materials; he collected materials; he assembled workers. Before his death, David commanded the princes of Israel to help Solomon build the temple (1 Chronicles 22:17). He exhorted them, "Now set your heart and your soul to seek the LORD your God; arise therefore, and build ye the sanctuary of the LORD God, to bring the ark of the covenant of the LORD, and the holy vessels of God, into the house that is to be built to the name of the LORD" (1 Chronicles 22:19). Do we see the focus in the words, "Set your heart and soul to seek the Lord your God"? Because they focused upon seeking God, they were able to accomplish the task at hand. May God help us as a congregation of His People to stay FOCUSED on the days 2025 that are before us DAN.
