Welcome to our worship services today. We are glad you have joined us in worship.

From Dan's desk:

Remember that tomorrow night will be the time for Monday Night For The Master. We hope that each of you will want to join us in laboring for the Master. This is a great program and anyone who wants to be involved is invited and encouraged to participate. The accomplishments are great as God's people continue to use their combined efforts. We will meet at 6:15 for salad and pizza and work between the hour of 7-8 P.M. Please plan to be here. The month of April will arrive this week and the Lord's church continues to march on. We were so happy about the baptism of JAKE GLENN last week. It was my privilege to meet and study with him and to hear him make the "Good confession" that Jesus is the Christ. We continue to pray for him. Last Sunday night FRANK AND LAURA both responded to the invitation to ask for the prayers of the church and to rededicate their lives to Christ. We commend them and others who have recently asked for the prayers of the Lord's Church here at Crockett Rd. It is great to have them back with us. If you are visiting with us today, we want you to feel welcomed and we hope you will come back and worship with us soon. We hope you will join us at 6 P.M. tonight for services.

So Close...Almost...But Dead

Robert Woods was a 27 year-old Dallas police officer. He died on November 28, 1976 after being shot five times with a pistol. The man convicted of the crime was Randall Dale Adams. He spent 12 years in prison but his conviction was overturned as a result of the movie entitled The Thin Blue Line (a name used to describe the police). The crime remains unsolved. Woods had pulled a vehicle over for driving with no headlights. As he approached the car the driver shot him five times. The ironic and tragic thing was that Wood's wife had bought him a bullet-proof vest and was going to give it to him for Christmas, less than a month away. Officials said if he had been wearing the vest, the .22 bullets would most likely not have taken his life. So close...almost...but dead! The warning found in James 4:13-17 needs heeding as much today as when Officer Woods was killed and even as much as when James wrote it... 'you who say, 'Today or tomorrow we will go to this city, spend a year there, carry on business and make money,' you do not even know what will happen tomorrow. What is your life? You are a mist that appears for a little while and then vanishes; ...anyone who knows the good he ought to do and doesn't do it, sins.' Is there someone you need to visit? A call you need to make or a letter you intend to write? Is there sin you need forgiven of? Are you planning someday to obey the gospel? Are you waiting to get everything in order before you come back? Don't be one of those who almost did it...but put off and found out it was too late!
