Good morning and welcome to services! We are so glad you are here! Tonight is our annual L2L recognition and sandwich supper and we hope you will join us. We always really enjoy recognizing all of our L2L participants each year. Our young people work so hard and are such an encouragement to us all. We had a great time last Wednesday eating together and breaking in the new pickle ball net before class. We are looking forward to more fellowship, especially with summer coming. Join us next Sunday night following worship for a summer planning meeting. We want to iron out our summer plans, including SYS, our regular summer outings and even a Rangers game. We hope everyone has a great week!

"Be kindly affectionate to one another with brotherly love, in honor giving preference to one another;" Romans 12:10

"SOMETHING TO THINK ABOUT"

When we complain of having to do the same thing over and over, let us remember that God does not send new trees, strange flowers and different grasses every year. When the spring winds blow, they blow in the same way. In the same places the same dear blossoms lift up the same sweet faces, yet they never weary us. When it rains, it rains as it always has. Even so would the same tasks which fill our daily lives put on new meanings if we wrought them in the spirit of renewal from within., a spirit of growth and beauty. Helen Keller

TO OUR BIBLE SCHOOL TEACHERS

There's a time and place that's special each week
Where we're eager to learn of the Word that we seek.

The lessons are studied and scripture is read
But let us go back a few days instead.

Your week is so busy and filled with "to do's"
Like everyone else not a minute to lose.

Your family, your business, your work never ending
You're precious few minutes you're still ever lending.

But you make time to prepare for Wednesday or Sunday
When you know someone will listen to the words that you say.

So with love for God's Truth, with prayer and with time

"ARE YOU GOING TO THE MOVIE?"

Years ago the plot of romantic movies was simple. Boy meets girl. Boy loves girl. Boy loses girl. Boy wins girl. Though there were many other activities in the movie, this was the basic plot. Now the plot has changed. Time and time again this is the plot line. Boy meets girl. Boy has sex with girl (with her as the aggressor). Boy is loved by girl. Boy decides if he wants the girl or not. This obviously conveys a huge moral change in our culture. Two responses should be obvious to us. Does this immediate desire to hop in bed with a man reflect reality? What man would want a personal, permanent relationship with such a careless woman? Secondly, no matter what our society's pagan morals may be, what the plots communicate is sin. It is called fornication (having sex with someone not your marriage partner) and is condemned in passages like 1 Corinthians 6:13. Is it any wonder why so many people have given up on going to the movies? Why would someone want to go and delight in the things they tell others to abstain from as a Christian? Maybe this is something some might rethink. Just perhaps. DAN

**Great fellowship meal last
Lord's Day and remember
the Sandwich Supper tonight**

From Dan's desk:

It was a wonderful day. Those in attendance last Sunday had a memorable day. The luncheon was fantastic and we appreciate Jeanette Alford and other who worked in the kitchen to provide the meal for those attending. The singing group "Shine" did a wonderful job. They were great and we appreciate them staying over to sing for the congregation here. We took up a "love offering" for them. There was between \$500 and \$600 given to this group. They have a lot of expenses as college students. John Burkhalter spoke to those in attendance about the "Yellow House", the student union group on the campus of S.F.A. They do a good work. Our thanks also to the Raders and Locks, for keeping them in their home last Saturday night. Please remember that tonight following the evening service we will have a sandwich supper and we will pay tribute and honor to our young people who participated in Lads to Leaders and those attending the convention in the metroplex area. They did a great job and I hope that all of us will stay and show our support for them as well as Alison and Doug for their help and encouragement. See you tonight at 6 P.M. DAN
