WHERE: CROCKETT RD. CHURCH OF CHRIST

WHEN: JUNE 18TH

TIME: 9 A.M. TILL 12 P.M.

AGES: 18 MONTHS THROUGH 6TH GRADE **WELCOME!!!**

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. "It is a small gift, but it comes from big hearts."

WORTHY OF RESPECT AND HONOR

In Luke 18:2 a man is described as neither reverencing God nor respecting man. Does that connection have a logical ring to it? A healthy fear of God surely would promote a sense of respect and honor for lesser but worthy objects. Things were different when I was a boy. We respected parents, teachers, policemen, older people, other people's property, institutions, grandparents, customs, other people's space, women if you were a male, other's advice, bible class teachers, and preachers, and a host of other people and things. People did not have to "earn" your respect. That was woven into the very fabric of society. I cringe in our day to see how little respect is shown anyone or anything. The "common courtesies" of an earlier time are certainly not common today. That built in polite, gracious behavior of yesterday has been abandoned for a crude, rude, thoughtless, self-centered insistence on "me first." This lack of respect seems to be a big issue in America and in our world. Let's respect others and teach our children to do the same.

"How Tough Are You ?"

When I was a boy we had large black walnut tree in the yard. The nuts would fall off in the fall and then we had the task of extracting the meat from the shells. First you had to remove the outer husk which would stain your hands a dark brown if you touched it. Then you had to crack the hard shell with a hammer. I always enjoyed "hitting stuff" with a hammer, but that's where the fun ended. The tedious part came when it was time to remove the nutmeat from those hard shells. Usually this job was attempted while sitting in a chair watching the television. At times like this I often wondered why God put such a hard shell around such a delicious nut. Why couldn't they be more like a peanut or even a pecan? Have you ever noticed that many of the joys of life are like that? Much of the really "fun stuff" in life has a hard shell around it, meaning you have to work hard to reach the enjoyment part. Perhaps you are familiar with an expression which says, "anything worth having is worth working for." If you have sufficient days on this earth you know this is true. IF you want to be a good student, businessman, salesperson, fisherman, athlete, etc., you have to work at it. Occasionally something easy may come your way but if you count on everything being easy, you will be often disappointed. This principle certainly applies to living the Christian life. Jesus paid a high price to make it possible for us to even be his disciples. Thus it should be no surprise that a high price is expected of us too. In Luke 14:33 Jesus predicted that his disciples would have to forsake all that they had. Sadly many Christians think of their discipleship as something they fit in with the many others parts of life. They have jobs, hobbies, friends, family, etc., and being a Christian is just another role they play from time to time. May God help us to be loyally faithful to Him in all things.

VOLUME 59

NUMBER 26

June 16, 2024

Super Tuesday day after tomorrow. Come be a part of this fabulous day at Crockett Rd.

From Dan's desk:

Our meeting last week at Shady Grove Church of Christ was well attended and two responses. One was baptized and one responded for prayer and restoration. It was a good week in spite of the fact that I had an upper respiratory program going on during the meeting. It was good to be back in the pulpit last Sunday and my thanks again to those who filled in for me. Ben and David always do a great job. This coming Tuesday we provide an opportunity to be involved with the youth. Tuesday morning we will have our annual "SUPER TUESDAY" from 9-12. It will be a one day VBS for ages 18 months through the 6th grade. That night, we will host the annual Summer Youth Series at our building. Paul Cartwright will be the guest speaker. Young people from all over the area will be in attendance with our youth. This is always an exciting time and the adults are invited to attend as well. We have had a number of people out ill recently and a lot that are already on vacation. Let's continue to pray for those who are away, for whatever the reason. We hope and pray that you will join us for worship tonight at 6 P.M.

SPEAKER PAUL CARTWRIGHT**

"ARE YOU WISE OR FOOLISH?"

Not long ago when discussing the importance of the church with a wayward church member, he was encouraged to become more involved in the activities of the church and to attend church on a regular basis. He quickly replied that going to church occasionally was a good thing, but that going to church three times a week and practicing a daily religion was really asking a little too much. With all the things he had to do he felt that the Lord was asking for far too much of his time. Are the Lord's demands of daily discipleship (Luke 9:23), holy living (Romans 12:1-2), and faithful church attendance (Hebrews 10:25) asking too much of the Christian's time? Perhaps if we could see how the average person spends his or her time while here on earth, we might be able to see God's demands of us in a better perspective. It is said that if God granted someone a life of seventy years the average person would spend that life with the majority of his time spent on self. This is a great tragedy. Read the story again of Jesus in Luke 12. "Are you foolish or wise?". It is a mark of wisdom to follow the Lord God in all things.
