Good morning and welcome to services! We are so glad you are here. October is always a really fun month for our youth group as we enjoy all the fun that Fall has to offer. Be sure and grab a youth calendar from the bulletin board or pick on up in Bible class. We will be having a brief meeting tonight following services to discuss a couple of upcoming overnight trips. We are planning on taking a trip to Cherokee Children's Home later in the Fall and a trip to Challenge Youth Conference in January. Please stay for the meeting if you are interested in either trip. Hope everyone has a great week! DOUG

"And whatever you do in word or deed, *do* all in the name of the Lord Jesus, giving thanks to God the Father through Him." Colossians 3:17

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. "It is a small gift, but it comes from big hearts."

WHY DO WE LOVE CHILDREN?

While working for an organization that delivers lunches to elderly shut-ins, I used to take my 4 year old daughter on my afternoon rounds. She was unfailingly intrigued by the various appliances of old age, particularly the canes, walkers, and wheelchairs. One day I found her staring at a pair of false teeth soaking in a glass. As I braced my self for the inevitable barrage of questions, she merely turned and whispered, 'The tooth fairy will never believe this!'

A little girl had finished her first week at school. "I'm just wasting my time," she said to her mother. "I can't read, I can't write, and they won't let me talk!"

WHY SHOULD WE SHOW REVERENCE TO GOD?

Too often in today's world, God is less than revered. Many people continue to show disrespect and show a lack of reverence to the creator of the universe. God ought to be revered because men are children of God by creation (Genesis 1:26; 2:7; Zechariah 12:1). We are the offspring of God (Acts 17:28,29). He is the Father of spirits (Hebrews 12:9). For anyone to ignore this relationship, is to be irreverent. God ought to be revered because He is our spiritual Father, and we are His children. We become a part of His family by means of the new birth (John 3:3-5; 1 Peter 1:22,23). What a wonderful relationship we enjoy with the Father. How marvelous it is to be privileged to cry out, "*Abba, Father*" (Galatians 4:6). Whenever one fails to honor God in this relationship, he shows irreverence. God ought to be revered because He is our Law-giver, Ruler, and Master. We must recognize our position as His servants. No man has the right to question God's right to rule. To reject the law of Christ is to reject God (Luke 10:16; Matthew 10:40). Those who refuse to obey the Gospel are those who show no respect and reverence for God.

DAN

JOE WAUGH
to speak this morning.
One baptized into Christ

From Dan's desk:

We welcome Joe Waugh to Palestine and to the congregation here. Joe is the Director of the Tipton Children's home in Tipton, Okla. Many of you know that I am out of town this week conducting a Gospel Meeting in my home town of Hallsville, Texas. Joe Hancock is the Minister there and has served the congregation there for over 20 years. Joe Waugh (OUR GUEST SPEAKER THIS MORNING), grew up at the Tipton Children's home and is now serving at the Superintendent. I have known Joe Waugh for many years. The church here helps in supporting the home and has for many years. He has been with us before and I know you will enjoy hearing about the work in Tipton and the lesson as well. Ben will be bringing the lesson tonight. He always does a great job. Last Sunday morning **ETHAN CLARK** responded to be baptized into Christ. He is a friend of Billy Rose and we were so glad that he made this commitment to Christ. He is a fine young man and left the building rejoicing in that he had obeyed God in baptism. God is blessing the Lord's church at this place and we are grateful for all the responses we have experienced this year. Even tho' some have passed on to be with God, we have new folks being added to the flock. This is great. A big thank you to Jan Todd for the beautiful Fall decorations in the church foyer and auditorium. They are beautiful and you always do a wonderful job. Thanks to those who came to Monday Night For The Master last Monday. Thanks to Dwight and Shelly for helping to organize the meal.

BOBBY BAIRD is improving. He is out of the hospital and is in rehab at Legacy Town creek.

A hat was passed around a church congregation to take up an offering for the visiting minister. Presently, it was returned to him...embarrassingly empty. Slowly, the preacher inverted the hat and shook it meaningfully. Then, raising his eyes heavenward, he exclaimed, "I thank you, Lord, that I got my hat back from this congregation."

God & Economics

I don't know the number of times I have been asked questions pertaining to money. Some want to know why some people seem to have enough money and they struggle to pay their bills. Money is the number one cause of divorce. Therefore it impacts our homes and the Lord's church. If we are worried about our finances we are being harmed and our attention is being taken away from other things. I don't claim to be a financial expert but I do know the following: Just as there are physical and spiritual laws in the Bible there are also laws of economics. As long as we respect the laws of physics we can survive and do well. If we obey God's spiritual laws we can go to heaven. If we recognize and obey the laws of economics we can pay our bills. Those economic laws do not change over time. The problem we are having as a nation is because many of the financial laws have been violated and now we are paying the price. Old sayings I heard as a child such as, "Sooner or later you have to pay the piper" or, "If you can't pay for it, don't buy it" or, "A fool and his money are soon separated" and, "If it sounds too good to be true it probably is"; are as true today as they were 50 years ago. **SELECTED**
