Good morning and welcome to services! It's so hard to believe October has come and gone. It was full of activity and we enjoyed so much great fellowship. Last Sunday's trip to Great Harvest Farm was wonderful and the weather couldn't have been better, and our trunk or treat last Wednesday was such a great time! Thanks to all who helped out! Today our MS/HS Bible class delivered non-perishable food items collected from Saturday's chili cook-off benefitting the Stockpot. Thanks to all the young people who helped out with that! Our November calendar is out and you can find it on the youth board. We are looking forward to another great month together! DOUG

"Therefore pray the Lord of the harvest to send out laborers into His harvest."

“IS LIFE VALAUBLE”

We are so happy about the decision of **JILL BROWN and her daughter LILY**, who were baptized last Sunday afternoon following their study with Audrey and I. They will be great assets to the church here at Crockett Rd. Thanks for coming this morning. We are glad you are here. A Police Officer pulled over a car for a standard traffic stop. As the officer approached the driver side window, the driver pulled out a gun and shot the officer. A shoot out followed leaving both the officer and the driver in critical condition. So many questions run through our heads when we hear about something like this. The first few thoughts that I had were “How could the thought of receiving a simple traffic ticket compel someone to take another person’s life? And also, “Did the family of the officer consider that morning that it could be the last time they saw him alive?” Situations like this remind us that life is precious and can be taken from us in matter of seconds. James tells us in 4:14 that our lives are simple vapors that are here for a short time then vanish away. In the short time that we are here on this earth we need to make sure we are living a life that is pleasing to God so that when that moment of departure happens we are prepared. I also feel that people do crazy things when they have no hope. Was the lack of hope why the driver shot the Police Officer? We may never know, but a lack of hope will cause people to act irrationally. We are blessed to have the hope of eternal life in heaven with our Lord and that provides the strength to push forward each and every day. How sad it is for those who do not know the Lord and thus have no hope. We are glad you are a member of Crockett Rd and want you to know how valuable you are. God continues to bless our church in many wonderful ways. Hope to see you tonight at 6

Responses to Adversity

Acts 16:25 About midnight Paul and Silas were praying and singing hymns to God, and the other prisoners were listening to them. The soldiers stripped them, beat them severely and placed their feet in stocks. Then the evangelists praised God. I confess that this is not the way I have always responded to adversity. Have you? They knew that the officials at Philippi had taken nothing necessary from them. They had lost their freedom. They were uncomfortable. They were separated from other loved ones. However, they still had their faith, hope and love in Christ and they expressed this as they prayed and sang. The prisoners were impressed with their faith in the midst of suffering and the jailor was impressed too. He and his family followed Jesus after they heard the suffering singers preach the gospel!

The Oil Find

Two old friends met one day after many years.

One attended college, and now was very successful.

The other had not attended college and never had much ambition.

The successful one said, "How has everything been going with you?"

"Well, one day I opened the Bible at random, and dropped my finger on a word, and it was oil.

So, I invested in oil, and boy, did the oil wells gush.

Then another day I dropped my finger on another word and it was gold.

So, I invested in gold and those mines really produced.

Now, I'm as rich as Rockefeller."

The successful friend was so impressed that he rushed to his hotel, grabbed a Gideon Bible, flipped it open, and dropped his finger on a page.

He opened his eyes and his finger rested on the words, "**Chapter Eleven.**"
