

Good morning and welcome to services! We are so glad you are here. It's been a great morning so far. Our middle school and high school classes delivered a large amount of food to The Stockpot this morning following a large donation drive out in Montalba yesterday. Thanks to our young people for doing this! We are looking forward to our annual single and single again Thanksgiving lunch on November 19th! It's always such a great time of fellowship and our youth group really enjoys serving together. Mark your calendars! The November retreat has been postponed until after the first of the year, and more information will be available soon. We are also opening registration for CYC in Dallas in January. It's an amazing and uplifting weekend conference and we hope many of our preteens and teens can attend! Have a great week! DOUG

WELCOME VISITORS

A big hearty welcome to those visiting today. Allow us to meet and greet you following the worship service this morning. At the end of the service today you will be given a gift bag from our congregation. "It is a small gift, but it comes from big hearts." Thanks again for coming.

THE PURPOSE OF THE CHURCH IS TO STRENGTHEN AND TEACH.

Those who are converted need to be strengthened. Jesus said, And the Lord said, Simon, Simon, behold, Satan hath desired to have you, that he may sift you as wheat: But I have prayed for thee, that thy faith fail not: and when thou art converted, strengthen thy brethren (Luke 22:31,32). Paul, in Ephesians 4:12, speaks of the edifying of the body of Christ. It is imperative that those who have been saved remain saved. Those who are concerned about the flock realize the importance of keeping the sheep busy. Likewise, periods of edification and fellowship are necessary for strengthening and edification purposes. Hence so many congregations have a period of Bible study during the middle of the week with its primary focus centered on edifying the church. Let us notice some areas where the church can effectively strengthen the brethren.

Assembling (Heb.10:25)

Teaching (Acts 20:32)

Praying (Acts 2:42)

Encouraging (2 Tim. 1:16)

Helping (Acts 6:3; 2 Cor. 8:1ff)

Fellowshipping (Acts 2:42)

Since God uses the church as a tool to strengthen, do you as an individual member help to strengthen the Body and edify others?

JUST A REMINDER IF YOU
HAVE NOT DONE SO.**

Move your clock back one hour.

That Much?

To the delight of every grandparent is the grandchild who stretches out his arms to the fullest length of his little stature and says, "I love you this much." And, we don't mind our children telling they love us also – ours do all the time. That much? So, if we were to try to measure how much God loves us in the childish way our grandchildren measure, the arm span would reach throughout the universe. How much? John says, "Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren," (1 John 3:16). And again, God says, "I LOVE YOU THIS MUCH" DAN

Events recently held have served to encourage. Thanks to all who help.

“Single and Single Again Luncheon”

From Dan's desk:

Thanks to all of you who came for “Trunk Or Treat. We had a great attendance and the kids loved it as always. Even though we had to move into the building, everyone had a good time. The weather really changed this last week. It is about time for the cooler weather. I am told that the first frost in Anderson county generally is around Nov. 20th each year. I guess the colder weather came a little early this year. It is however, a welcomed change. Thanks also to all of you who attended Monday Night For The Master. It was a great evening and we are grateful to all who came and helped out. These are always times of refreshing when we can be together for a meal and fellowship, plus getting a lot of jobs done at the same time. It is good to see all of you this morning. If you have not already moved your clock back one hour, you need to do so, or you will be early everywhere you go. That would be a surprise for a lot of people including me. Continue to pray for all those who have been ill and send them a card. These are always appreciated. We hope to see you at the evening service at 6 P.M.

JUST RESPECT OTHERS

In Luke 18:2 a man is described as neither reverencing God nor respecting man. Does that connection have a logical ring to it? A healthy fear of God surely would promote a sense of respect and honor for lesser but worthy objects. Things were different when I was a boy. We respected parents, teachers, policemen, older people, other people's property, institutions, grandparents, customs, other people's space, women if you were a male, other's advice, Bible class teachers and preachers, and a host of other people and things. People did not have to "earn" your respect. That was woven into the very fabric of society. I cringe in our day to see how little respect is shown anyone or anything. The "common courtesies" of an earlier time are certainly not common today. That built in polite, gracious behavior of yesterday has been abandoned for a crude, rude, thoughtless, self-centered insistence on "me first." This lack of respect seems to be a big issue in America and in our world. Let's respect others and teach our children to do the same.
