

Please remember we have a devotional tonight following services in the Activity Building for 5th - 12th grade. There's no better way to start the week than praising God together. Also, we have our Chili cook off and cake auction next Sunday evening, February 23rd and we need your help. Please plan to stay for both opportunities. Remember - "But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from all sin."

I John 1:7 Have a great week **Doug**

MONDAY NIGHT FOR THE MASTER will take place a week from tomorrow night. We hope you will join us at 6:15 P.M. for salad and pizza and then work with us between the hour of 7-8 P.M.

"REMEMBER WHEN SHAKE, RATTLE AND ROLL MEANT MORE THAN JUST GETTING OUT OF BED?"

"REFRESHED"

We understand that Gatorade, Powerade, Vitamin Water, etc., all help us re-energize after a long, hard workout. Then why don't we let the Lord re-energize us after a long, hard week of being in the world? There is no better place to be on Sundays and Wednesdays than at worship, worshipping with the saints. Not because we have to, but because we get to approach God in song, in prayer, in study, and we get to give Him our worries and cares. The Lord's day is the best day of the week! We all have busy schedules and we all tend to lose our focus on God, but it's amazing what a few hours of Bible study, singing, praying and fellowship can do. It helps get us through the next week. It helps encourage me to be a better person and a better Bible student. I've heard it said that Sundays are like a tall glass of water after a long day out in the sun. It's refreshing, re-energizing, and rejuvenating. I urge you, brethren, if you ever feel like you just can't possibly go on any longer, if you can't seem to keep control of what's going on around you, if life just seems to never give you a break, remember that the Lord will provide your strength and refuge! "The LORD is my strength and my shield; my heart trusts in Him, and I am helped. My heart leaps for joy and I will give thanks to Him in song" (Ps 28:7). The Lord is where we find joy. It's the Lord where we can find the strength to press on through whatever the world may throw at us. And what better place to get that strength than with the brethren at worship service? David wrote, "I was glad when they said to me, 'Let us go into the house of the Lord'" (Ps 122:1). Get your second wind and join us at every service. **DAN**

"Is It Just Words Of My Mouth Or Meditation Of My Heart"

One of the great blessings of God is the opportunity to glorify Him in song. Too often we sing hymns of praise but we like those on Matt. 15:8 and just words. We should all ask ourselves if we really mean what we sing. The singing of a hymn should be a great experience for Christians. A hymn can be a prayer, a testimony, praise, or an invitation to others. Many of us apparently don't take the words we sing very seriously.

1. *We sing "Sweet Hour of Prayer" and pray only a few minutes each day.*
2. *We sing "Onward Christian Soldiers" and wait to be drafted.*
3. *We sing "Oh, for a Thousand Tongues to Sing" and don't use the ones we have to speak of Christ*
4. *We sing "Blest Be the Tie" and let the slightest offense sever it.*
5. *We sing "I Love to Tell the Story" and seldom mention Jesus to anybody.*
6. *We sing "Serve the Lord with Gladness" and gripe about all we have to do.*
7. *We sing "Cast Thy Burden on the Lord" and then worry ourselves into a nervous breakdown.*

We sing "The Whole Wide World for Jesus" and never invite our next-door neighbor to church. Selected

Come Wednesday.
Chili Cook-Off next Sunday
night after services**

From Dan's desk:

The Tipton Children's Home Grocery truck will be coming this Wednesday. We ask that you bring your items to the building by this Wednesday night. You are always so generous and we appreciate your thoughtfulness of others. The Valentine Luncheon was held last Tuesday following ladies Class. It was a great day and we are grateful to all who helped in the kitchen (Pam Gallaway, Glenda Baskin, Rita Taylor, Beth Freeman, & Charles McCullough) and to Audrey & Glenda Baskin for helping to decorate. All those in attendance had a wonderful time. Thanks to Charles for helping with the games. It was a lot of fun. *Remember that the Youth are again hosting the annual Chili-Cook-off" next Sunday night following the evening worship service. We always have a fantastic time .* If you can bring chili or dessert be sure to sign the list in the foyer. We always have a lot in competition each year and it is a lot of fun. We continue to have numerous visitors frequent our services each week. Be sure to reach out to them in love. We have just about completed taking pictures for the picture board. Some have had remakes and we have also been taking pictures of the newer members of our congregation. Be sure to check the picture board out to identify those who are new to our church family. Several gathered in Elkhart a week ago last Saturday and took the test for their gun license. The security team is in place. We will still have the patrolman from the police department here each Sunday morning. . See you tonight. DAN

**HOW TO INSTALL A HOME
SECURITY SYSTEM**

1. Go to a secondhand store and buy a pair of size 14--16 men's work boots.
2. Place them on your front porch, along with a copy of Guns & Ammo Magazine.
3. Put four giant dog dishes next to the boots and magazines.
4. Leave a note on your door that reads: "Bubba, Bertha, Duke, Slim, & I went for more ammo. Be back in an hour. Don't mess with the pit bulls. They got the mailman this morning and messed him up bad. I don't think Killer took part, but it was hard to tell from all the blood. Anyway, I locked all four of 'em in the house. Better wait outside. Be right back. COOTER
